# Retail Design

## What services we offer for your business?

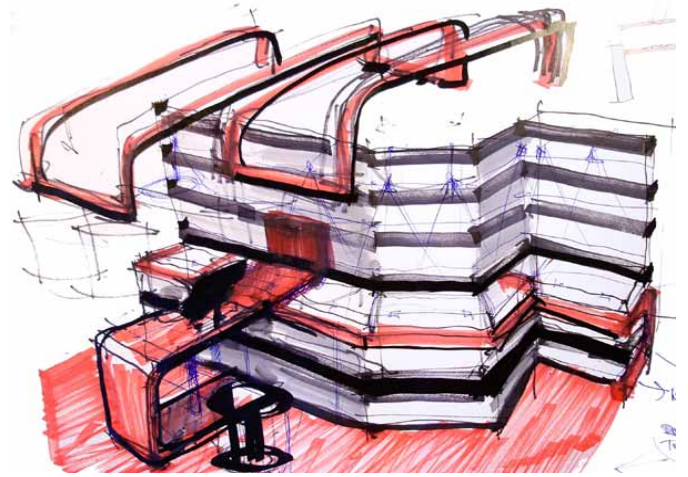

We can provide any combination of the services listed below.

- Site Surveys
- Site Feasibility Studies
- Fixture Design
- Optimised space/flooring plan
- Conceptual Shop Planning & Design
- CAD Working Drawings
- 3D Computer visualization to assist in building prototype
- Architectural and Engineering Documentation
- Strategic Retail Planning to fully enhance product display.

We offer a partial or complete Interior Design solution. If you are already operates a retail shop that needs a major or minor change we typically come out to see the space with a free consultation.

We can create a punch down list of changes that they would like to see. These might include re optimisation of space/ floor plan to optimise display, finishes, lighting or many other aspects of your interior design.

At 3 Corners we stress branding: naming strategy, brand strategy, identity design, certain guidelines, retail graphics to right inside the store brand presence all the way to packaging design.

We try to help you create realistic budgets and timeframe's for your shops design, construction and preparation of design drawings and documentation this will include:

- Shopfront and signage.
- Crucial is that your product layout and merchandising are in perfect flow of the design you choose to make sure your merchandise is being displayed the best way possible.
- We make sure traffic flow analysis is the most efficient determined, early in the design process for you to capture your return on investment fast.
- Design services such as floor plan, finish specifications, lighting plan, color selections, cabinetry needed for display or detail, everything from ceiling to floor gets consideration.
- In shop/store design, icons and logos to enhance or start branding your business.

We work closely with shop fitters, commercial builders that specialise in retail development.

Feel free to contact us at on **9689 4698** or [contact@3corners.com.au](mailto:contact@3corners.com.au) to see what we can do for you.
